Fourteenth Annual Barquet Held at the Wauregan House -Addresses by Mayor Lippitt, Charles Bard and Manager John F. Rogers-Concert and Dancing.

For fourten years the overseers at the local branch of the United States Finishing company have had an annual banquet, and one of the most successful was that held on Friday evening at the Wauregan house, when there was an attendance of about 200, including the wives and women friends of the overseers and other employes at the plant.

The toastmaster for the evening was John MacDougall, who for a number of years has capably filled the office, and on Friday evening he proved to be the right man in the right place. There were a few brief remarks, Mayor Lippitt being first called upon, and he expressed great pleasure at the privilege of being in attendance at such a gathering, and referred to the magnificent The banquet was served in the large
